

The Utah Quarter Horse Racing Association provides friends and families of all ages a place to stay active and make connections with both peers and newcomers.

We are reaching out to business within the community that would benefit on the growth of our organization and would like to ask if you would be interested in becoming an official sponsor of UQHRA?

This would help not only us but help your business gain exposure among not only our Utah residents, but to our out of state members.

UQHRA would be happy for a donation at any level. However, larger contributions would help increase the race winnings, which would bring horsemen from all over the US to participate. As you may be aware Utah does not allow Pari-mutual betting, which is a big resource to other states racing associations. Utah not having the same resources rely on very important sponsors like yourself.

In return for your support we would provide the following:

<p><u>\$100 Sponsorship</u></p> <p>Business Card Sized Advertisement in Program, and Advertisement on our UQHRA website.</p>	<p><u>\$250 Sponsorship</u></p> <p>Four (4) Tickets and Two (2) Programs to be used on any one race day of your choice, ¼ Page Advertisement in Program, and Advertisement on our UQHRA website.</p>
